Brilliant

Profile Information

- Full Name: Mahika Sharma
School: Cambridge Court International School
Grade: 8th Grade
Year: 2024-2025
Profile ID: STU-1763629642071
Last Updated: 11/20/2025

About Me

I am Mahika Sharma, passionate about technology, creative problem-solving, and making a positive impact in my community.

Your Archetype

The Visionary Collaborator

Erica Cangan thrives as a dynamic, forward-thinking leader who empowers teams, adapts to change, and navigates complex challenges with confidence, analytical insight, and a spirit of innovation.

"Together we imagine, adapt, and achieve what others believe impossible."

Your Social Energy Style

People-Powered

Mahika radiates social energy, excelling in lively environments and inspiring those around her to connect, collaborate, and reach new heights together.

My Story So Far

Personal Bio

I'm a curious learner who loves tackling complex challenges and creating innovative solutions. Whether I'm coding a new app, leading a community project, or exploring the intersection of art and technology, I bring enthusiasm and dedication to everything I do. My goal is to use my skills to make a meaningful difference in the world.

Case Studies

Starbucks X Skillizee

I did a case study on Starbucks on Skillizee, where I learned how the company became famous by focusing on quality coffee, customer experience, and strong branding. I also understood how Starbucks grows by opening stores worldwide and keeping customers loyal with new ideas and creative marketing strategies.

1.5 weeks

Skills Used: Marketing basics, customer service ideas, branding knowledge, research skills, understanding business growth, critical thinking, learning how companies keep customers loyal, creative strategy thinking.

Process & Steps

Netflix X Skillizee

I completed the Netflix x Skillizee case study focused on digital marketing, content-based learning, problem-solving, digital media awareness, and technology awareness. The program enhanced my skills in creating engaging content, understanding brand communication, analyzing audience behavior, and applying creative strategies used by global brands to connect with modern digital audiences.

1.5 weeks

Skills Used: Digital Marketing, Content Creation, Problem Solving, Digital Media Awareness, Technology Awareness, Brand Communication, Audience Analysis, Creative Thinking, Campaign Planning, Social Media Strategy

Process & Steps

Beyond the Classroom

Sports: Badminton

A sport that helps me stay fit, improve my reflexes, and build focus. The sport helps me stay disciplined, sharpen my coordination, and enjoy friendly competition. Playing regularly also boosts my energy, teamwork skills, and overall physical endurance.

Skills Developed: Badminton, Sports

Dance: Western

A sport that helps me stay fit, where I express energy, rhythm, and creativity through modern styles and movements. Dancing helps me stay active, build confidence, and connect with music in a fun and dynamic way. It also improves my coordination, flexibility, and stage presence.

Skills Developed: Dancing, Culture exploration

Potential Career Paths
